This Commission is expected to commence functioning this month. Representations and memorials with regard to salaries, emoluments and conditions of service may now be forwarded by monthly paid members of the Government Services or by Government Servant's Associations to the Secretary of the Salaries Commission, Kuala Lumpur.

Any representations other than those intended to be sent direct to the Secretary should be forwarded through this office, and I am accordingly to ask that they should be in my hands not later than the end of April, so that such observations or recommendations as are advisable may be prepared and sent in with the papers from this Registry.

3. In the meanwhile will you please bring M.U. Secretariat Circular No. 49/47 of 15th inst. to the notice of all the monthly paid staff in your control and see that they understand the purport thereof.
