

THE JUDICIAL DEPARTMENT - FEDERATION OF MALAYA.

REGISTRAR'S CIRCULAR NO. 2 OF 1952.

Lending Court Files to Collector of Estate Duty

It has come to my knowledge that it is the practice in some Registries to lend files relating to Petitions for Letters of Administration to the Collector of Estate Duty. This is not in order. While Assistant Registrars are required to give the Collector of Estate Duty every help in collecting information which he may need for the purpose of his duties, no files should be allowed to leave the Registries.
