COMPOUNDING OF OFFENCES 10hb. Disember, 1969.

All Senior/Presidents, Sessions Courts.

All Magistrates, Magistrates' Courts.

REGISTRAR'S CIRCULAR NO: 9 OF 1969

Under Section 393A of the Municipal Ordinance (as amended) power is given to any officer specially authorised in writing in that behalf by the Commissioners to compound offences under Sections 120, 131, 142 and 142A of the Ordinance up to \$100/-. In view of this power of compound the Honourable the Chief Justice has directed me to suggest to all Magistrates that when a defendant chooses not to avail himself of the benefit of the offences being compounded then in minor cases e.g. throwing cigarette butts in the streets, a fine of \$10.00 be imposed, and in more serious cases of littering, such as dumping of refuse in quantity, the fine should range from, say \$25/- to \$100/-.
