REGISTRAR'S CIRCULAR NO. (U) - 9 OF 1980

Preparation of Records of Appeal in Criminal
Appeals to the Federal Court

I am directed by the Honourable the Lord President to inform you that the preparation of the Records of Appeal in Criminal matters to the Federal Court should be given top priority. The records should be forwarded to this Registry on or before the date specified in the letter from this Registry notifying you of the number allotted to each appeal.

After forwarding the Notice of Appeal to this Registry immediate action should be taken by the officers concerned in your Registry to compile the Record. This Registry will give you one month from the date of this Registry's letter to compile the Record. In cases when the proceedings had taken place for a lengthy period, mention should be made in your letter when forwarding the Notice of Appeal to enable this Registry to give you more time than specified above.

Please note that in future the entire Record of Appeal should be compiled and bound in book form before serving on parties concerned. The Petition of Appeal to be filed under Rule 109 of the Federal Court Rules, 1980 may be filed by parties in loose form within the prescribed time.
